Principal's Desk,

## Invitation

We are highly delighted to invite you to witness the Science Carnival Explorica 2019-20 by your gracious presence. It will be organized on 2<sup>nd</sup> & 3<sup>rd</sup> August 2019 at School premises. Our annual Science Carnival is our small offering to the nation.

We believe that studies of Science and Technology alone can liberate our motherland in the modern world. And therefore we strive quietly to construct a scientific and creative attitude among the young minds. The preparation of the exhibits are an exhilarating experience for the children, including the improvisation of science kits and devices models offering solutions to many present and potential socio-economic problems.

We look forward to your presence to encourage the children and bless them as well as to make the program a grand success.

Best Wishes!
